

# EVERY ETHNÊ Core Team Application

Thanks for applying to EVERY ETHNÊ (The missions arm of Grace Community Church). Please note there are three primary areas that you can apply for:

- **Our Outreach Team** - This team serves as our primary vehicle to help our people take the knowledge that has been given them beyond the doors of the church, and ultimately *bring them in* to a vital relationship with Christ by means of short-term work or relationally based teams.
- **Our Equipping Team** - This team seeks to stir and fire up the imagination of Grace Community in how they may best serve out their mission by arranging conferences, seminars, and other *building up* opportunities.
- **Our Sending Team** - This team seeks to actively mobilize future Field Staff, manage existing Field Staff, and develop synergistic ministry *branching out* ministry opportunities with Field Staff, the Body of Grace Community, and the broader Church.
